Index

1961-1963

Page numbers of symposium and clinic titles are given in **boldface** type.

- A-163 in root canal dressings, 1963: July, 335, 336
- Abscesses, alveolar, 1963: March, 92-94
apical, 1963: July, 300
- Abutments, clasps and, 1962: Nov., 723-729
destruction by caries, 1962: Nov., 717
partial coverage versus full coverage, 1962: March, 131
periodontal aspects, 1962: Nov., 718, 790-794
- Access in endodontics, 1963: July, 342-344, 365, 366
- Accounting methods, cost records and office routine, 1961: March, **119-126**
- Acetanilid, 1961: July, 247; 1963: March, 148
- Acetophenetidin, 1963: March, 148, 149
- Acetylsalicylic acid. See *Aspirin*.
- Achromycin. See *Tetracycline*.
- Acid formation, 1962: July, 378-380
- Acid neutralization in caries prevention, 1962: July, 419
- Acid-producing microorganisms, 1962: July, 325-326
- Acrylic resin for interocclusal record, 1962: March, 111
for partial denture bases, 1962: Nov., 720
restorations for fractured incisors, 1961: Nov., 628
- Actinomyces in plaque, 1962: July, 324
- Adaptive mechanisms in masticatory system, 1962: March, 66
- Addison's disease, 1963: March, 124
- Adjustment of occlusion. See *Occlusal adjustment*.
- Adrenalin. See *Epinephrine*.
- Adrenocorticosteroid hormones, use in dentistry, 1963: July, **503-512**. See also *Steroids*.
- Aerosporin. See *Polymyxin B*.
- Albamycin. See *Tetracycline*.
- Albers-Schönberg disease, roentgenographic interpretation, 1961: July, 405
- Albright's syndrome, 1963: March, 125
- Alcohols, sedative-hypnotic, list of, 1963: July, 492
- Aldomet, 1963: July, 462
- Alkaline agents in caries prevention, 1962: July, 419
- Allergic reactions, 1963: March, 124; July, 517
to local anesthetics, 1961: July, 273; 1963: July, 523
to penicillin, 1963: March, 155; July, 518
- Alloys for partial dentures, 1962: Nov., 720-721, 734-737
- Alpha particle, 1961: July, 470
- Alphaprodine, 1961: July, 291; 1963: July, 420
- Aluminum as x-ray filtration, 1961: July, 355, 357, 371
- Alveolar abscesses, 1963: March, 92-94
- Alveolar bone, contouring, artificial versus natural, 1962: July, **445-447**
effects of tooth transplantation, 1962: July, 522

- Alveolar process, fractures, management, 1963: July, 542
- Alveolar ridges, evaluation for occluso-rehabilitation, 1962: March, 278
- posterior, deformities, 1962: March, 229-239
- Amalgam as restorative material, 1963: Nov., 879
- physical properties, 1963: March, 201
- reinforced with steel rods, 1963: Nov., 806-817
- restorations for primary molars, 1961: Nov., 597-599
- Amalgam tattoo, 1963: March, 124
- Ameloblastoma, 1963: March, 141
- Aminobenzoates, chemical structure, 1961: July, 247
- Aminopyrine, 1963: March, 148
- Ammoniated dentifrices, 1962: July, 419
- Amobarbital, 1963: July, 495
- Amphetamine, 1963: July, 464
- Ampicillin, 1963: July, 560
- Amytal. See *Amobarbital*.
- Analeptics, 1961: July, 295
- Analgesia and sedation, 1961: July, 289-298; 1963: March, 146-151; July, 422
- auditory, 1961: July, 230
- definition, 1961: July, 311
- for postoperative pain in periodontics, 1961: July, 339
- inhalation, 1961: July, 295-297, 307, 316, 317-318, 336
- local anesthesia and, symposium, 1961: July, 229-351
- plus chemanesthesia for ambulatory dental patient 1961: July, 309-319
- untoward reactions, treatment, 1961: July, 294
- Anaphylactoid reactions to local anesthetics, 1963: July, 523
- to penicillin, treatment, 1963: July, 521
- Anaphylaxis, 1963: March, 155; July, 518
- Anemia, causes, 1963: March, 16
- ulcerations and, 1963: March, 115
- Anesthesia as threat, 1962: Nov., 591
- fear of, minimizing, 1962: Nov., 598-600
- history, 1961: July, 243-246, 299-300
- hypnosis as, 1961: July, 341-351
- in jaw wiring procedures, 1963: July, 543
- Anesthesia, local, 1963: July, 423
- administration to children, 1961: Nov., 502
- allergic reactions, 1963: July, 453, 523
- and analgesia, symposium, 1961: July, 229-351
- and control of pain and apprehension in periodontics, 1961: July, 329-340
- armamentarium, 1963: July, 446
- as diagnostic aid, 1963: July, 444
- as irrigant, 1963: July, 445
- chemical groupings, 1961: July, 247, 258-259
- circulatory reactions, 1963: July, 523
- contraindications, 1963: July, 445
- convulsions after, 1963: July, 424
- cross-reactions, 1963: July, 524
- current concepts, 1963: July, 443-457
- facial paralysis following, 1963: July, 455
- for topical anesthesia, 1963: July, 444
- in cardiac disease, 1963: July, 456
- in endodontics, 1961: July, 321-328; 1963: July, 417-428
- in occlusal rehabilitation, 1963: Nov., 697-701
- indications, 1963: July, 443-445
- needles for, 1961: July, 239-240, 271, 338
- pain following, 1963: July, 455
- postinjection problems, 1963: July, 452-455
- prolongation of anesthesia, 1963: July, 455
- solutions, 1963: July, 447-452
- toxic reactions, 1961: July, 257-278; 1963: July, 452, 522
- psychological implications, 1962: Nov., 591-600
- topical, 1963: Nov., 695
- from local anesthetics, 1963: July, 444
- in periodontics, 1961: July, 336
- Anesthetic agents, local. See also under specific name, e.g., *Procaine*.
- action of, 1961: July, 231-241
- potential toxicity, 1961: July, 246-250
- toxicity in man, 1961: July, 257-278

- Anesthetic agents, local, vasoconstrictors in, 1961: July, 279-288
- Anesthetic failures, causes, 1961: July, 239-241
- Anesthetic test in pulpal disease, 1963: March, 99
- Angioneurotic edema, 1961: July, 273
- Angle classification, 1963: March, 175, 176, 179
- Anileridine, 1961: July, 291, 314, 315
- Ankylosis as cause of space loss, 1961: Nov., 707
- of temporomandibular joint, roentgenographic interpretation, 1961: July, 428-429
- of transplanted teeth, 1962: July, 506
- Anodontia, 1962: Nov., 767
- Anterior guidance, 1963: Nov., 587-589, 620, 630
- Antibiotics, 1963: March, 153-158; July, 424-426
- contamination of culture broths, 1963: July, 336
- in caries prevention, 1962: July, 332, 416
- in clinical dentistry, 1963: July, 553-561
- in prophylaxis against bacteremias, 1963: July, 559
- in root canal dressings, 1963: July, 334-337
- in root canal sterilization, 1963: July, 334-336
- oral dosage (table), 1963: July, 555
- prophylactic use, 1963: July, 558
- systemic, in periapical infections, 1963: July, 339
- topical use, 1963: July, 558
- Anticoagulants, 1963: July, 469-471
- Antiemetic drugs, 1963: July, 467-469
- Antiepileptic drugs, 1963: July, 465-467
- Antifungal agents in root canal dressings, 1963: July, 336
- Antihistaminic drugs, 1963: July, 426
- as sedatives, 1961: July, 292
- Antioxidants, 1963: July, 451
- Antiseptic dressings in endodontics, 1963: July, 324, 329, 331, 337
- Antiseptic root canal sealers, 1963: July, 338
- Antiseptics, topical, 1963: July, 486
- use during endodontic instrumentation, 1963: July, 325-328
- Apatite, reactions, 1962: July, 370-374
- A.P.C. tablets, 1963: March, 149
- Aphthae, recurrent, 1963: March, 105, 110-111
- Apicoectomy, 1963: July, 376-380.
- See also *Periapical surgery*.
- Appointments, scheduling, 1961: March, 38, 61, 90, 100; Nov., 494-497. See also *Recall systems*.
- Apprehension and pain, control of, 1961: July, 329-340; 1963: Nov., 691-707
- Arch bars in jaw fractures, 1963: July, 537
- Arch irregularities and minor malocclusions, diagnosis, supervision and treatment, 1961: Nov., 723-738
- Artery, internal maxillary, aberrant, 1961: July, 263-264
- Arthritis, rheumatoid, dental patient and, 1961: Nov., 742
- of temporomandibular joint, 1963: March, 248
- roentgenographic interpretation, 1961: July, 427-428
- Articulation. See also *Occlusion*.
- gnathological, 1962: March, 183-197
- Articulators, 1962: March, 164-166, 204-206, 260-262; Nov., 802-805
- Aspiration in administration of local anesthetics, 1961: July, 240-241, 271
- in biopsy, 1963: March, 46
- of cysts, 1963: March, 129
- Aspirin, 1961: July, 290, 399; 1963: March, 147, 149
- Aspirin burns, 1963: March, 105, 121
- Assistant. See *Auxiliary personnel*.
- Astringents, 1963: July, 484
- Atarax. See *Hydroxyzine*.
- Ataraxics, 1961: March, 62-64; July, 292, 302; 1963: March, 153; July, 420-422, 491-493, 498-501
- in pedodontic practice, 1961: Nov., 508, 511-513, 517-518
- ATF, 1963: July, 335
- Atropine, 1963: July, 467
- Audiovisual aids in patient education, 1961: Nov., 580-583
- Auditory analgesia, 1961: July, 230
- Aureomycin. See *Chlortetracycline*.
- Auscultation, 1963: March, 31
- Authorization form, 1961: March, 56
- Autogenous tooth transplantation, 1962: July, 502-507, 513-526
- Autograft, definition, 1962: July, 499

- Autoradiographs, 1961: July, 472
- Auxiliary personnel and space utilization, 1961: March, 105-117
in group practice, 1961: March, 51
in pedodontic practice, 1961: March, 58
increased utilization, 1962: Nov., 698
role in recall system, 1961: March, 143
selection and training, 1961: March, 93-103, 166
- Avulsed teeth, replantation, 1961: Nov., 628; 1962: July, 555-568
- Axons, 1962: March, 10
- BACITRACIN, 1963: March, 158, July, 335, 336, 558
- Bacteremias, prophylaxis, 1963: July, 559
- Bacteria, acidogenic and aciduric, 1962: July, 325-326
caries and, 1962: July, 310, 321-333; Nov., 619
in etiology of pulpal pathosis, 1961: Nov., 631
